- Git

SOFT SKILLS

- Problem-Solving
- Communication
- Time Management
- Attention to Detail
- Adaptability
- Collaboration
- Creativity
- Continuous Learning

LANGUAGE

- URDU
- ENGLISH (basic)

WORK EXPERIENCE

E-commerce Hackathon Website

- **Technologies Used:** Next.js, Tailwind CSS, Sanity CMS, Vercel
- **Description:** Developed a fully functional e-commerce website based on a Figma design using Next.js, Tailwind CSS, and Sanity CMS. Includes dynamic product listings and CMS integration.
- **Link:** <https://mid-term-real-estate-website.vercel.app/>

To-Do List App

- **Technologies Used:** React, JavaScript, HTML, CSS, Git, Vercel
- **Description:** Created a to-do list application that allows users to add, edit, and delete tasks. Implemented features like task filtering, status tracking, and local storage for data persistence. The app provides a clean and user-friendly interface for managing daily tasks.

Portfolio Website

- **Technologies Used:** Next.js, TypeScript, Tailwind CSS, React, Git, Vercel
- **Description:** Designed and developed a professional portfolio website using Next.js and Tailwind CSS. The site includes sections to highlight projects, technical skills, and contact details. Implemented responsive design principles with Tailwind's utility classes, and used TypeScript with React components for performance and maintainability. Deployed the site on Vercel for fast and reliable hosting.
